

SOMOS International School

Embassy Event with Honduras

Her Excellency Marlene Villela-TALBOTT visited SOMOS Intr'l School as the honored guest of the day

Her Excellency shared the rich cultural features of Honduras, and the SOMOS students presented their class assignments after a month study on Honduras.

A workshop was held for toddlers to create their own Honduras flag. The elder ones made their flags by dyeing a piece of cloth with coloring water and adding the five stars with paints. All beautifully done!

The SOMOS Media class held a live interview with the Ambassador, all ready to go live on the "SOMOS Kids Media Desk".

(above) A thank you letter was read by Mashiro (8) to the Ambassador.

(right) Everybody on board with the Ambassador.

Great smiles!
