

Christmas Party / Mikolajki 2014

In Polish tradition, December 6th is called the "Mikolajki", the day of Saint Nicholas - when children receive small gifts under their pillow to get ready to celebrate the bigger upcoming event "Christmas!"

More than 80 children from SOMOS and the Polish Community came together on this special occasion to celebrate the Mikolajki Day at the Polish Embassy.

The room was filled with a sweet scent of candies and freshly baked cake. Guests enjoyed the piano recital of Chopin's piece and Polish Christmas. Children enjoyed the candy house making workshop. And the excitement came when Santa arrived to give presents to each and every good child!

Everyone received presents from him!
